3 members of the public and Councillor Cecile Irving Swift

1379	<p>Apologies</p> <p>Apologies had been received from Councillors Steedman and Wright.</p>
1380	<p>Declaration of Personal & Prejudicial Interests</p> <p>None declared.</p>
1381	<p>Minutes of the Meeting held on 4 July 2016</p> <p>The following changes were agreed –</p> <p>Min1370/2 Wormslade Farm – to read ‘proposed by Councillor Jones and seconded by Councillor Rumsey’</p> <p>Min 1373 Highways – to read ‘Councillor Jones had spoken with Andrew Leighton’</p> <p>Subject to the above amendments the minutes of 4 July were accepted as a true and accurate record and were signed by the Chair of the meeting.</p> <p>This was proposed by Councillor Barker and seconded by Councillor Jones. Unanimous.</p>
1382	<p>Matters arising from the Minutes of the Meeting – 4 July 2016</p> <p>Min 1370/3 Proposed Affordable Housing, Braybrooke Road. The Clerk had referred the site onto Daventry District Council as a possible site for affordable homes within the village.</p> <p>Min 1372/1 Millennium Monument. Work is progressing and the bench is being delivered to site the following week.</p> <p>Min 1372/2 - Grass Cutting – Four Counties Grounds Maintenance had been asked to carry out two cuts per month plus a monthly strimming exercise within the village during the growing season.</p> <p>Min 1373 Highways. A speed camera had been used on the A508 on the 5 July. A speed survey was expected to take place early in September.</p>
1383	<p>Open Forum</p> <p>Mrs Williams explained her objections to the proposed Managers House at The George. Her concern was with regard to the height of the proposed property including the impact of taking light away from her own residence. Mrs Williams had no objection in principle to the proposal, just to the inappropriate size of the property.</p>

1384	<p>Update from the local Councillor</p> <p>Councillor Cecile Irving Swift provided the Council with a verbal report.</p> <ul style="list-style-type: none"> • Councillor Irving Swift outlined the new recycling & waste collection service which includes charging for the green bin collections. The new 1-2-3 system will save money and provide a weekly food waste service, a fortnightly recycling service with a general waste collection every three weeks. • Councillor Irvine Swift suggested that the Council should look at formulating a Neighbourhood plan. • Daventry District Council are asking for sites for social housing. • NCC had held a budget meeting and faced a deficit of £14m. Impact on rural villages would be negligible. • Councillor Irvine Swift asked that the Parish Council pursue a realistic and achievable option for the A508. There are strict criteria to meet for a speed reduction to 30mph. The recent traffic survey of 50,000 vehicles highlighted that 85% of the traffic was travelling at 39 mph. • Communities can borrow speed monitoring equipment if they wish and full training is provided. (Contact is Matt O'Connell at Northants Police) • In the event of traffic noise from HGVs, residents are encouraged to submit a noise complaint to the Daventry District Council Environmental Health Team. • Cecile Irving Swift reminded residents that they should channel any local issues and concerns initially through the Parish Council. This is more helpful as a coordinated community view endorsed by local Councillors carries much more weight. • The Shambala Festival is planned for the end of August and a telephone number would be shared for any noise complaints. • Although the 5-year housing supply in villages had been met by DDC there still might be good reason to permit housing in a village, for example, if it adds value by making local facilities more sustainable. <p>The Chair thanked the Councillor for her report.</p>
1385	<p>Planning</p> <p>1385/1 DA/2016/0647 : Waterloo Farm: Change of use of existing land to camping site to include 4 yurt type tents and erection of single storey ancillary buildings. The Parish Council had no objections to the proposal.</p> <p>1385/2 DA/2016/0648 : Waterloo Farm, New entrance sign for proposed camp site and café The Parish Council has no objections to the proposal.</p> <p>1385/3 DA/2016/0678 : The George Public House, Construction of dwelling to rear for Managers usage The Parish Council supports the local economy but expressed concern regarding the height of the house and would prefer a development more in keeping with the surrounding properties. The Parish Council also suggested that a formal condition be imposed linking the Managers residence to the public house.</p> <p>It was agreed that the above views be submitted to Daventry District Council. This was proposed by Councillor Hogarth and seconded by Councillor Jones. Unanimous.</p>
1386	<p>Police and Community Safety</p> <p>There was nothing to report.</p>
1387	<p>Environment</p> <p>The 'Kerb Appeal' was yet to start. A poster would be drawn up in due course.</p>

1388	<p>Highways</p> <p>The scheme for the A508 was being progressed and should be available for the September meeting.</p> <p>There was an issue of overgrowing trees affecting visibility of the street signs. There seemed a back log of jobs on Street Doctor and the status of jobs was not moving. Councillor Jones would chase up progress.</p> <p>The 'water on the highway' on Main Street was ongoing. Ian Smith was the contact at Kier/ NCC.</p>
1389	<p>Community</p> <p>It was thought that there was confusion from residents who was sending out the community emails. There were two distribution lists with a third being prepared for Neighbourhood Watch. It was thought that this could be coordinated better to remove duplication of data and duplication of effort. This would be placed on the agenda for the next meeting.</p> <p>It was agreed that now the web site content was increasing the site can now be promoted more within the village.</p>
1390	<p>Finance</p> <p>1390/1 Revised Budget 2016 / 2017. The revised budget for 2016/ 2017 had been circulated with the agenda. This was revised to take into account the recent decisions of the Parish Council. This was proposed by Councillor Barker and seconded by Councillor Jones. Unanimous.</p> <p>1390/2 Accounts for the period 1st April 2016 to 30 June 2016 (Q1) The Accounts were received and approved by the Council. This was proposed by Councillor Barker and seconded by Councillor Hogarth. Unanimous.</p> <p>1390/3 Approval of Payments.
